### Open Meetings Act Training for School Board Members

Attendance at this breakout session satisfies the Open Meetings Act requirement that each board member complete a course of instruction in the Act's legal requirement. A certificate of completion will be provided to those attending the full session. *This session requires separate pre-registration and additional cost of \$25.00. Registration will be accepted in the order received, as space is limited. Register early.*

### School Board Policy Issues: Are Your Policies Up-to-Date?

The School Board Policy Manual was once considered unchanging: the written-in-stone, policy statements that guide administrators in the day-to-day operations of the district. This is still the case to some extent; however, due to increasing legislation at both the state and federal levels, the policy manual now must be considered a living document that changes constantly to reflect changing conditions. Has your district kept up? **Anna Lovern**, Policy Director for IASB, will help you answer that question.
