INTRODUCTION

The object of the Illinois Association of School Boards is “to aid and assist boards of education in performing their lawful functions and to promote, support, and advance the interest of public education in Illinois.” In order to best achieve these objectives, the Association operates within the framework of its Constitution. This booklet contains that Constitution, as well as IASB position statements.

The Constitution provides for the organization’s existence, as well as criteria for membership, and for the creation of internal committees and councils. It determines how officials are elected and what their duties shall be. It establishes procedures for proposing and adopting resolutions, conducting the annual Delegate Assembly, selecting the Board of Directors and its function, and dealing with the Association’s finances.

Position Statements and Belief Statements. While the IASB Constitution provides a foundation from which to work, the Association’s position statements and belief statements represent the nature and substance of that work.

Association Governance. Both the Constitution and the position statements are products of the IASB Delegate Assembly. This body consists of one voting representative from each IASB member school board and meets once a year. Its job is to establish the direction of the Association and its major policies.

Article IX of the IASB Constitution establishes the procedure by which position statements and belief statements are brought to the floor of the Delegate Assembly. Stated briefly, any member school board or other authorized body of the Association may submit resolutions no later than 150 days prior to the annual meeting. A Resolutions Committee reviews all resolutions, recommends Delegate Assembly action, and no later than 45 days before the annual meeting distributes copies to all member boards.

Member school boards are encouraged to take advantage of this process to bring about changes or additions to the IASB position statements contained in this booklet.

POSITION STATEMENTS

EDUCATIONAL PROGRAMS

1.01 EDUCATIONAL PROGRAMS

The Illinois Association of School Boards urges its member districts to develop educational programs so as to maximize educational opportunities for students by fully utilizing teacher and staff potential, community resources and physical facilities. The goal of each district shall be to serve the interest, talents and needs of each child through an outstanding well-balanced program. The Association shall also encourage its members to increase their awareness of the Mental Health Code (405 ILCS 49/15) which supports developments and implementation of a plan to incorporate social and emotional standards as part of the Illinois Learning Standards. (Adopted 1959; Amended 1988, 2009)

1.02 CURRICULAR MATERIAL DETERMINATION

The Illinois Association of School Boards shall support the right and responsibility of each local school board to determine its curricular content including opposing any mandated curriculum that comes from the Common Core Standards. (Adopted 1981; Amended 1983, 1988, 2001, 2013)

1.03 PHYSICAL EDUCATION

The Illinois Association of School Boards shall support modifications to existing state mandates which shall allow boards of education to establish time requirements and appropriate exemptions for physical education at the K-12 level. (Portions Adopted 1982, 1986; Reaffirmed 1984, 1987; Amended 1988, 1995, 2013)

1.04 P. E. EXEMPTION FOR SHOW CHOIR

The Illinois Association of School Boards shall attempt to have legislation passed that would amend 105 ILCS 5/27-6 of the School Code of Illinois to grant an additional exemption for students, grades 9-12, enrolled in an ongoing Show Choir program for credit. (Adopted 2012)

1.05 STUDENT RETENTION AND HIGH SCHOOL COMPLETION

The Illinois Association of School Boards shall urge Congress and the Illinois General Assembly to commit the appropriate resources and develop programs that would reduce the dropout rate throughout the state of Illinois with specific emphasis on early intervention in the elementary level and continuous intervention at the secondary school level to facilitate graduation. (Adopted 1986; Amended 2003)

1.06 PRESCHOOL PROGRAMS

The Illinois Association of School Boards shall support full funding of early childhood programs operated by public schools as a priority with legislation providing new monies for both staffing and infrastructure costs associated with early childhood programs for pre-school children, at-risk infants and toddlers and grants for parental training. (Adopted 1986; Amended 2001, 2006, 2007, 2016)

1.07 DISCIPLINE FOR SPECIAL EDUCATION STUDENTS

The Illinois Association of School Boards shall develop and implement a legislative agenda at the Federal and State levels which urges the adoption of legislation easing the legal restrictions imposed on local school boards for disciplining students enrolled in special education programs, including the suspension and expulsion of such students, and providing for a less restrictive access to records of transferees due to expulsion. (Adopted 1994; Amended 1995)

1.08 STANDARDIZED TEST PROCEDURES

The Illinois Association of School Boards shall urge the Illinois State Board of Education to contract with a national testing company to develop a state assessment test that will test the Illinois Learning Standards on a yearly basis in compliance with, and only testing those areas required by, the federal Every Student Succeeds Act. Further the IASB shall support legislation to:

- require that the test be given no later than October of each year with results received by local school districts no later than December of that same year;
- provide that assessments include both an annual overall performance measure as well as a system of formative classroom-level assessments that are linked to desired standards;
- require that the test will remain the same for 10 years with only changes in the test items to maintain security;
- require that the cut scores be set before the test results are tabulated, leaving the score ranges the same from year to year and from grade to grade; and
- expedite and fully fund test development and implementation of an appropriate assessment instrument for English language learners. (Adopted 2002; Amended 2003, 2008, 2016; Reaffirmed 2011)

1.09 STUDENT ASSESSMENT

The Illinois Association of School Boards shall support legislation that will modify required State student assessments so testing does not go beyond what is required by federal law, and that prohibits the Illinois State Board of Education from pursuing activities designed to expand student assessment without legislative approval. Further, the Association shall support efforts to modify the Illinois and federal student assessment processes so that they will:

- reduce costs to schools, the state and therefore taxpayers;
- enhance student achievement;
- increase student instructional time;

- facilitate test score comparability within and across state lines;
- fairly test students who are English language learners so that their academic progress can be accurately assessed regardless of their fluency;
- return test results in a manner that will allow school districts to maximize student learning;
- comply with the federal accountability mandate tied to testing;
- maintain a needed emphasis on the Illinois Learning Standards; and
- develop a reporting process that reflects a school's progress beyond simply student assessment scores. (Adopted 2002; Amended 2008; Reaffirmed 2011)

1.10 EVERY STUDENT SUCCEEDS ACT – MILITARY RECRUITMENT

The Illinois Association of School Boards shall work with the National School Boards Association and other coalitions to urge Congress and the General Assembly of Illinois to, regarding the Every Student Succeeds Act, replace the opt-out burden on parents with an opt-in provision with regard to the requirement of secondary schools to disclose student information to military recruiters. (Adopted 2005; Amended 2016)

1.11 SCHOOL ATTENDANCE DAYS

The Illinois Association of School Boards shall support a policy variance by the Illinois State Board of Education to allow Unit School Districts the option to stagger the start and end date of schools within their district based on developmental and educational appropriateness, without penalty to state aid appropriations, provided that all students in the district meet required student attendance requirements. (Adopted 2004)

1.12 FUNDING FOR DIFFERENTIATED INSTRUCTION

The Illinois Association of School Boards shall seek administrative and legislative actions calling for the provision of separate and sufficient new monies to support programs of differentiated instruction for those students identified as having exceptional talents and abilities, permitting these students to reach their potential. Such student talents and abilities may be in areas that expand beyond the core curricula. To ensure efficiency and productivity in the implementation of these programs, school districts should be provided sufficient flexibility in the acquisition and expenditure of such State funds. (Adopted 2007)

1.13 BILINGUAL EDUCATION OPTIONS

The Illinois Association of School Boards shall request the Illinois State Legislature to pass legislation to amend the current Illinois School Code to make Transitional Bilingual Education optional and not mandatory. (Adopted 2008)

1.14 STUDENT ACADEMIC PLACEMENT

The Illinois Association of School Boards shall support local school district and parent collaboration, evaluation and decision making regarding the grade-level placement of students based upon their academic, social, and emotional maturity and readiness to advance. When parental advancement requests deviate from normal school advancement, school districts maintain the authority to evaluate and place students. (Adopted 2010; Reaffirmed 2011)

1.15 VIRTUAL CHARTER SCHOOLS

The Illinois Association of School Boards shall encourage the Charter School Commission to develop regulations that ensures State-authorized virtual charter schools meet the full needs of Illinois students and follow the intent of current State laws prohibiting the use of public funds for profit-driven educational firms. Examples of such regulations might include, but not be limited to, the following:

- Assurance of student access to teachers, including information regarding teacher accessibility, teacher/student ratio, and amount of teacher/student contact time;
- Evidence of the social-emotional well-being of students, such as information regarding opportunities for peer interaction and collaboration, adult advisory resources, and protocols to prevent bullying or other inappropriate online behavior;

(Adopted 2013)

1.16 STUDENT DISCIPLINE PRACTICES

The Illinois Association of School Boards shall oppose legislative and rulemaking initiatives that enact statewide student discipline policies. The IASB encourages school districts to consider policies and procedures that develop sound discipline practices which may:

- Ensure a safe, responsive and effective instructional environment;
- Strive to meet the social, emotional and behavioral needs of all Illinois students;
- Strive to expedite investigations in response to alleged student misconduct and communicate findings and determinations to parents/guardians. (Adopted 2014)

1.17 DATA EQUITY

FINANCING PUBLIC EDUCATION – STATE

The Illinois Association of School Boards shall urge the Governor and General Assembly of Illinois to establish education as the number one priority of state government, to increase funding of education to such levels as would be necessary to implement the constitutional requirement that the state have primary responsibility for financing the system of public education, including the funding of educational reform, and to adjust the state aid formula

to offset increased inflationary costs. (Portions Adopted 1973, 1977, and 1986; Amended 1988; Reaffirmed 2000, 2004, 2006, 2012, 2014)

2.03 FUNDING MANDATED PROGRAMS

The Illinois Association of School Boards believes that legislation encroaching upon local and lay control of the public schools should be curtailed, and, therefore:

- shall oppose programs or services mandated by the Illinois General Assembly, the State Board of Education, or any other State agency, unless there is clear evidence of need for the mandate and the Illinois General Assembly provides non-local revenues to fully fund the additional costs of those programs;
- shall urge the members of the General Assembly to strictly comply with the State Mandates Act, including specifying and labeling in the descriptions of legislation containing unfunded mandates that such mandates occur, and to refrain from passing any legislation which contains an exemption from the Act, and urge the Governor to veto any such legislation that may reach the Governor's desk;
- shall urge State agencies and commissions that adopt regulations accompanying legislative mandates to specify required outcomes and criteria for determining compliance, and allow local districts to determine the specific methods and procedures by which required outcomes will be accomplished. Required time lines for accomplishment should reflect consideration of the human and material resources and amount of deliberation and development necessary to accomplish the mandate;
- shall support legislation that causes all statutory and regulatory educational mandates to sunset if sufficient funding is not provided to implement such mandates and requirements. Local school districts may choose to continue to implement the mandated programs voluntarily until such time that the General Assembly appropriates the funding necessary to cover the costs of the required programs. (Adopted 1976; Amended 1988, 1989, 2001, 2005, 2013; Reaffirmed 1980, 1991, 1994, 1999, 2002, 2009, 2014)

The Illinois Association of School Boards shall urge the Congress of the United States to adequately fund Public Law 94-142 (Individuals with Disabilities Education Act) commensurate with the mandates required by the Act:

- shall strongly encourage the State of Illinois to totally fund with new monies, in a timely manner, the extra costs of educating children with special needs including transportation and accessibility costs;
- shall seek changes in current practice to fund local districts for special education professional personnel at 51% of the prior year's average salary for such professionals; and
- shall continue to oppose any requirement that local public school districts pay room and board costs for any handicapped child placed in private facilities. (Portions adopted 1977, 1980, 1986; Portions Reaffirmed 1985, 1986, 2002; Amended 1988, 2000, 2001)

(Adopted 1981; Amended 1986; Reaffirmed 1988)

2.10 RESIDENTIAL PLACEMENT COSTS

The Illinois Association of School Boards shall inform the General Assembly and Governor's Office that children who are wards of the State create a significant impact on local school district budgets when they are placed in temporary shelters and foster homes. Further, the State shall provide 100% of the cost of these placements. The Association:

- shall work to increase the financial incentives to those local school districts which provide alternatives to residential placement for those students;
- shall initiate and support legislation that will require the Department of Children and Family Services to involve local school districts in any plans for group placements of children in those districts and that funds for educating the placed youngsters must be earmarked (appropriated, planned for) in the agency's budget prior to finalizing any plan; and
- shall seek and support legislation for the State of Illinois to provide funds to local school districts for purchasing or constructing additional classrooms that are required to provide instruction for students who reside in state facilities located within the district. (Adopted 1991; Amended 2001)

2.11 STATE AID PAYMENTS

The Illinois Association of School Boards shall support legislation that requires the State of Illinois to make general state aid payments to school districts, on a monthly basis, during the entitlement year in which they are appropriated. Furthermore, the Illinois Association of School Boards shall support legislation that requires the State of Illinois to pay interest at the current legal rate on any payments which are late. (Adopted 1991; Reaffirmed 2000, 2014; Amended 2011)

2.12 CAPITAL FUNDING FOR SCHOOL CONSTRUCTION

The Illinois Association of School Boards shall actively work with the Illinois General Assembly and the Illinois State Board of Education to increase capital funding for public

The Illinois Association of School Boards shall seek legislation to amend the tax code, or other prescriptive procedures, to minimize the punitive effects of delinquent collection and disbursement to districts of tax moneys raised by local levy. In the event tax monies are not collected or disbursed as required by State law, it shall be the county’s obligation to reimburse the taxing district for any loss incurred. (Adopted 1996; Amended 1999)

2.16 TAX LEVY AMENDMENTS

The Illinois Association of School Boards shall seek legislation to provide that a duly constituted Board of Education may submit an amended tax levy to avail itself of potential additional revenue through a change and increase in district EAV (Equalized Assessed Valuation), provided the original levy was properly filed on time, based upon the best information available at the time of filing, and the change in EAV has occurred since the filing of the original levy. (Adopted 1996)

2.17 ALTERNATIVE SCHOOLS

The Illinois Association of School Boards shall support adequate State funding for regional alternative schooling programs. (Adopted 1997)

2.18 TORT IMMUNITY FUND

The Illinois Association of School Boards shall oppose legislation that seeks to limit a school district’s legitimate use of the tort immunity fund. This includes amendments to the Local Government and Governmental Employees Tort Immunity Act that would prohibit the issuance of bonds or the levying of taxes by a school board to fund the costs of complying with equitable remedies or relief, or with an injunction agreed to by the school board or ordered by any court. (Adopted 1998)

2.19 SCHOOL FUNDING AND TAXATION REFORM

The Illinois Association of School Boards shall actively support the general concepts regarding school funding reform, property tax relief and tax reform identified in the legislative outline prepared by the Center for Tax and Budget Accountability in June of 2004. Legislation resulting from that legislative outline shall be supported by the Illinois Association of School Boards provided that: the State guarantees the payment of property tax relief grants will be made in a timely fashion with no loss of funds to the school district: school districts have continued access to local property tax revenues through levies and referenda the legislation meets the criteria outlined in the IASB Position Statement 2.37 – School Finance Reform. All school districts with an approved school construction grant entitlement shall be paid the amount of the entitlement in its entirety before a new school construction program can be implemented. School districts shall receive a priority ranking within 90 days of the end of the current year's application cycle. The Illinois State Board of Education shall priority rank, by grant year, all school districts that have been waiting for longer than 90 days for school construction grant funds. (Adopted 2006, Amended 2014, Reaffirmed 2015)

2.21 SCHOOL CONSTRUCTION GRANT INDEX

The Illinois Association of School Boards shall support legislation that would amend Section 5-5 of 105 ILCS 230 to calculate the grant index in the school construction program for each of those school districts that consolidate or join for a cooperative high school after July 1, 2006 and utilize whichever grant index is highest for the newly consolidated district or cooperative high school rather than a composite index of all districts involved. (Adopted 2006)

2.22 CONSTITUTIONAL AMENDMENT ON SCHOOL FUNDING

The Illinois Association of School Boards shall support passage of an amendment to the Illinois Constitution that would make education a fundamental right, would make it a paramount duty for the State to provide a thorough and efficient system of public education, and that would provide that the State has the preponderant financial responsibility for financing the system of public education. (Adopted 2006; Reaffirmed 2007, 2014)

2.23 NON-RESIDENT STUDENT TUITION

The Illinois Association of School Boards shall support legislation to allow legally enrolled students who have become non-residents of the district to attend the school as a nonresident student, tuition-free, only until the end of the grading period in which the student was determined to be a nonresident. The legislation should allow students who are seniors in high school, and legally enrolled on the first day of school to continue in the district, tuition free, only until the end of that school year. (Adopted 2007; Reaffirmed 2008)

2.24 ISBE OVERSIGHT AGREEMENT

- Unless called for by the local school district, an oversight panel or finance authority shall not be imposed without a rigorous set of criteria proving the school district will not or cannot serve the needs of its students, staff and community;
- Clear benchmarks and goals shall be included in the establishment of an oversight panel or finance authority and once substantially met, the oversight panel or finance authority shall be dissolved;
- Bonding authority and issuance must remain the responsibility of the elected school board so that the duration of the oversight can be minimal;
- Progress toward benchmarks and goals must be reviewed and shared with the school district under oversight on a regular basis including any reasons or criteria for inability to make progress. Review should also recommend any modifications needed to achieve success;

- Due process and review by the Attorney General must be afforded to school districts when appropriate; and
- ISBE authority to establish oversight panels or finance authorities shall not be broadened to facilitate imposition of a panel or authority or to expand their oversight once put in place. (Adopted 2009; Amended 2010)

2.25 MULTI COUNTY SCHOOL DISTRICT GSA OFFSET

The Illinois Association of School Boards shall support legislation to modify the GSA (General State Aid) Formula calculation for multi-county PTELL (Property Tax Extension Limitation Law) school districts which have lost GSA for current and prior years due to an estimate of Equalized Assessed Value (EAV) utilized by the county providing the limiting rate to the Illinois State Board of Education (ISBE) for use in calculating a District’s GSA. (Adopted 2010)

2.26 CATEGORICAL REDUCTIONS PROSPECTIVE ONLY

The Illinois Association of School Boards shall support legislation requiring that any reductions in line item funds for categorical payments which are subject to reimbursement by the State (e.g. transportation or special education) shall be prospective only and shall not affect such line item costs incurred by a school district prior to such reduction but not yet claimed or approved for reimbursement. (Adopted 2011)

2.27 STATE AUTHORIZED CHARTER SCHOOL FUNDING

The Illinois Association of School Boards shall urge adoption of legislation which would create a new methodology for the funding of State Authorized Charter Schools which would not have a negative financial impact on the host district. With respect to State authorized virtual charter schools, further limit the withholding of State funds from host school districts in proportion to the per pupil expenditure used for building maintenance, classroom supplies, transportation, safety and security, and other costs unique to “brick and mortar” schools. For all State-authorized charter schools, require that proof of continuing enrollment and attendance be submitted quarterly, with prorated refunds to the host school district upon withdrawal of students from the charter school. (Adopted 2012; Amended 2013, 2014; Reaffirmed 2016, 2017)

(Adopted 2016)

FINANCING PUBLIC EDUCATION – LOCAL

2.30 PROPERTY TAX ASSESSMENT AND COLLECTION

The Illinois Association of School Boards shall oppose the assessment and collection of property taxes at the statewide level. (Adopted 1987)

2.31 PROPERTY TAX BASE

The Illinois Association of School Boards shall oppose any reduction in a district's access to local property tax revenue and shall oppose legislation that would erode the property tax base to educate children in the state of Illinois. (Adopted 1987; Amended 1988, 2001; Reaffirmed 2005, 2006, 2016)

2.32 STANDING ON TAX APPEALS

The Illinois Association of School Boards shall support legislative action to enable public school districts, in Cook County specifically, to (1) receive notices of assessment appeals in excess of \$100,000; (2) become participants in assessment reduction proceedings at the administrative and judicial levels; and (3) allow the refund to be credited toward future property tax payments. Further, the IASB urges that the necessary resources be made available in order to facilitate the timely processing of property tax appeal proceedings. (Adopted 1975; Amended 1988, 2000, 2005, 2006; Reaffirmed 1985)

2.33 TAX INCREMENT FINANCING

The Illinois Association of School Boards shall support changes in the current Tax Increment Financing statute that will model adoption procedures after those established for Enterprise Zones, continue to provide definitions for terms such as "blighted" used in the statute, develop procedures for disbanding TIF areas that do not produce anticipated growth, remove the requirement that all taxing bodies participate equally, to be monitored by the TIF Joint Review Board at each of its scheduled meetings, reduce the financial impact of the TIF area so that the percentage loss of Equalized Assessed Valuation (EAV) involved in the TIF will not exceed twice the average loss of EAV to each taxing body, limit its use in new residential development, and make the recommendation of the Joint Review Board binding. (Adopted 1986; Amended 1990, 1997; Reaffirmed 2006, 2016)

2.34 SITE DEVELOPMENT

The Illinois Association of School Boards supports requiring builders and subdividers to dedicate land for school purposes or to make cash payments in lieu of such dedications and to allow cash payments to be used for operational expenses. (Adopted 1971; Amended 2004)

2.35 PROPERTY TAX CAP

The Illinois Association of School Boards shall oppose any limitation which would require school boards to have to go to referendum to gain authorization to extend taxes to limits previously authorized by the voters. The Association shall support legislation designed to:

- exempt the districts in counties under the Property Tax Extension Limitation Law (PTELL) from the restrictions of the tax cap in their Fire and Life Safety, IMRF, Social Security and Tort Immunity funds
- base the property tax cap on the Employment Cost Index (ECI) rather than the Consumer Price Index;
- base any such index (CPI or ECI) on a method for calculating average over time to lessen the unpredictability of tax capped local resources; and
- to establish a "floor" to PTELL to ensure that the allowable percentage increase in
- the extension cannot be less than the allowable percentage increase in the 1998 levy year. (Adopted 1990; Amended 2001, 2002, 2006, 2009; Reaffirmed 1991)

2.36 PROPERTY TAX CAP – GSA CALCULATION

Limitation Law) such as that they are not penalized when successfully passing an operating fund rate increase referendum. (Adopted 2008)

2.37 PROPERTY TAX CLASSIFICATION

The Illinois Association of School Boards shall oppose any reduction in real estate assessment for residential property which is not offset on a one-to-one ratio. (Adopted 1991; Reaffirmed 2016)

2.38 SCHOOL FINANCE REFORM

The Illinois Association of School Boards believes that adequate funding must be provided for each student in order to guarantee the opportunity for an appropriate public education. Education funding should take into account the cost associated with delivering quality, research-based programming, geographic conditions, and student needs. Fully funding districts would ensure adequate funding for districts to locally determine and deliver appropriate and effective educational experiences to every student. IASB supports the need for transparency and dissemination of information, regarding the impact of proposed education funding reforms as they are developed, formally proposed, considered and enacted. Additionally, IASB will utilize the following criteria to evaluate proposals for school finance reform:

1. The state’s funding of public education should provide for a stable, reliable and predictable commitment of revenue.
2. State funding levels for public education should be a function of the actual cost of providing an appropriate education based on research, data, and current best practices.
3. Adequate funding should be sought through the addition of new state revenues for public education.
4. Any funding formula developed by the General Assembly shall place high priority upon achieving the goal of equity in providing financial resources to local school districts.
5. Increased state funding for public education should not reduce the access of school districts to the local property tax base.
6. In the distribution of state funds to local school districts:
 - a. funding differentials for various levels of schooling are appropriate only if based on verified costs;
 - b. consideration should be given to regional differences in the cost of providing an appropriate education;
 - c. the method of calculating the number of students coming from disadvantaged backgrounds should be based on current, verifiable data;
 - d. size of school district is important only to the extent that a district provides an appropriate education.
7. A specified local tax effort should be required to qualify for state aid.
8. Authority for changing a district’s aggregate tax levy should be retained by the local board of education.
9. Taxing authority without referendum for unit districts in all funds should be equal to the sum of the taxing authority in dual districts.
10. Funding should not be tied to mandated training of local Boards of Education. In order to obtain substantial new state revenues for funding an appropriate education, the following considerations should have an impact on any proposal for school finance reform:
 - a. A legitimate level and type of accountability will be needed.
 - b. The physical plant needs of Illinois’ school districts should be addressed.

- c. Taxpayer equity and relief, including uniform tax assessment and procedures as well as tax relief for limited fixed income and disabled citizens, should be provided. (Adopted 1990; Amended 1996, 2008, 2014, 2016; Reaffirmed 2001, 2012)

2.39 CHANGES IN SCHOOL ACCOUNTING PRACTICES

The Illinois Association of School Boards shall oppose legislation or rulemaking proposing cosmetic and costly changes in the school accounting practices or fiscal year, including but not limited to, mandatory accrual basis accounting, major program determination, depreciation allocation, and management's discussion and analysis. (Adopted 1992; Amended 2003)

2.40 TAX LAW AND ASSESSMENT PRACTICES

The Illinois Association of School Boards shall support legislation to create uniformity and equality in Illinois property tax laws regarding assessment practices. (Adopted 1993; Reaffirmed 2002)

2.41 IMPACT FEES FOR RESIDENTIAL DEVELOPMENT

The Illinois Association of School Boards shall participate in the development and passage of statewide enabling legislation allowing local boards of education to impose residential development impact fees with the option of local municipal control through intergovernmental cooperation. (Adopted 1994; Reaffirmed 1996, 1998)

2.42 BOND AND INTEREST LEVY

The Illinois Association of School Boards shall attempt to have legislation passed that would permit a school district to increase the bond and interest levy to recover taxes lost from an adverse Property Tax Appeal Board Decision, that caused the district to expend operating funds to amortize debt. (Adopted 1994)

2.43 LOCAL TAXES ON SCHOOL DISTRICTS

The Illinois Association of School Boards shall support legislation that would exempt public schools from all taxes imposed by state, federal, and units of local government. They shall neither seek to deprive or deplete public schools of their funds. Each public school district shall be issued its own district's State and Federal Tax Exemption Identification Number for such exemption. It shall be the responsibility of the taxing body to notify the agency collecting the tax of its exemption and assure its implementation. (Adopted 1996; Reaffirmed 2001, 2008; Amended 2004)

2.44 PROPERTY TAX RATE INCREASES

The Illinois Association of School Boards shall support legislation that would require that new property tax rates levied immediately following successful passage of tax rate increases be used as the calculating rate and extended as required under the School Code (105 ILCS 5/17-3.2). (Adopted 2002)

2.45 PROPERTY TAX CAP EXPIRATION

The Illinois Association of School Boards shall support a change in State law to create a four-year sunset on the implementation of the Property Tax Extension Limitation Law (PTELL) in each county in which PTELL has been enacted. The four-year sunset would also apply to the enactment of PTELL in any county approving PTELL after the effective date of the legislation. Any desire to extend PTELL beyond the four years would require the County Board to again place the question on the ballot and receive a positive majority of votes in the next general election. (Adopted 2004; Reaffirmed 2006, 2007)

2.46 TRUTH IN TAXATION

The Illinois Association of School Boards shall seek a modification in the Truth in Taxation Notice that reflects the natural economic appreciation effect of changes in property values when reporting the percentage increase or decrease over the previous year’s tax levy. (Adopted 2006)

2.47 SALES TAX FOR SCHOOL DISTRICTS

The Illinois Association of School Boards shall advocate that the General Assembly study and consider legislation allowing school districts access to additional forms of financial revenue, both state and local sources, including but not limited to, sales tax revenue. Further, any form of additional revenue for schools must provide that school districts determine the fund(s) in which to place the additional revenue. (Adopted 2006)

2.48 ABATEMENTS FOR HOME BUILDERS

The Illinois Association of School Boards shall support legislation to amend the Illinois Property Code (35 ILCS 200/18-165, et seq.) to enable Boards of Education to develop criteria for awarding abatements of school property tax to individual homebuilders. Said legislation shall provide rural school boards that are struggling with declining enrollments and loss of assessed valuation with a tool to stimulate the growth of both tax base and population base of their districts. (Adopted 2008)

2.49 PTELL – DEBT SERVICE EXTENSION BASE

The Illinois Association of School Boards shall support legislation (currently House Bill 1341) to modify the Debt Service Extension Base (DSEB) formula established by the Property Tax Extension Limitation Law (PTELL) to allow the limited number of school districts that do not have DSEB to have one established for them creating more equity among districts affected by the PTELL and equal opportunity in school funding. (Adopted 2011)

2.50 PTELL NO PENALTY FOR UNDER LEVY

The Illinois Association of School Boards shall support legislation that allows school districts to levy an amount less than the Property Tax Extension Limitation Law (PTELL) formula would allow without penalty in future years. This would require that when a district “under” levies, the district will have the ability to reassess the reduced levy taken in a given year and recover the full entitled levy for a period of 3 years from the effective date of the reduced levy. A district will not be entitled to reassess the reduced levy once the three-year limit has expired. (Adopted 2012; Amended 2017)

2.51 EAV ADJUSTMENTS – TIMELY NOTIFICATION

The Illinois Association of School Boards shall support legislation to require timely notification between county assessors of substantial adjustments to assessed values for a taxing district that has assessed property in multiple counties. (Adopted 2011)

2.52 PENSION – NORMAL COST SHIFT

The Illinois Association of School Boards recognizes that legislation to sensibly resolve Illinois’ current pension crisis must be fully compliant with prevailing actuarial scientific standards in order to achieve fully-funded and sustainable pension funds. The Illinois Association of School Boards therefore shall not support a “cost-shift” to local districts as a true sensible solution to the pension burden. (Adopted 2013)

2.53 SCHOOL FACILITY OCCUPATION TAX

The Illinois Association of School Boards shall support an amendment to State Statute 55 ILCS 5/5-1006.7 School Facility Occupation Tax, to include the purpose to purchase or lease technology to aid instruction, education, or efficiency of the school district. (Adopted 2014)

2.54 TAX INCREMENT FINANCING

The Illinois Association of School Boards shall support changes to the Tax Increment Financing statute to include the following: a municipality cannot reset a TIF district, which would extend the life of the TIF beyond the 23 years. (Adopted 2014; Reaffirmed 2016)

FINANCING PUBLIC EDUCATION – FEDERAL

(Adopted 1998)

FINANCING PUBLIC EDUCATION – OTHER

2.57 NON-PUBLIC SCHOOL FUNDING

The Illinois Association of School Boards opposes payment of state funds directly or indirectly to non-public elementary and secondary schools. (Adopted 1980)

2.59 TRANSPORTATION FOR PRIVATE SCHOOL STUDENTS

The Illinois Association of School Boards shall pursue and support legislation amending 105 ILCS 5/29-4 of the Illinois Compiled Statutes (School Code) to require schools other than public to conform to public school attendance dates and times as needed to minimize bus-ing costs, or pay the additional costs as a result of scheduling differences in busing students attending those schools. (Adopted 1995)

2.60 TAX EXEMPT BOND USE

The Illinois Association of School Boards shall oppose any reduction by the Federal Government in the amount of tax exempt bonds which can be issued. In addition to this

continuing opposition, the IASB shall explore alternatives available should such limitation be forthcoming at the Federal level. This would include but not be limited to income tax credits for individuals, commercial bonds property casualty companies, etc., to provide incentives within the State of Illinois for the purchase of said bonds. (Adopted 1989)

2.61 LIFE SAFETY FUND USE

The Illinois Association of School Boards shall support legislation that allows the State Board of Education to approve the use of monies generated from the health/life safety tax levy or the sale of health/life safety bonds for building projects that, while not specifically listed as a State Board approved project, will directly result in the improved safety of the students and/or community. Specifically, such funds shall be eligible to cover the costs for the following purposes: 1) repair or replacement of property such as school sidewalks, driveways, parking lots and playground equipment, in instances when a specific safety hazard is demonstrated by a licensed architect or engineer; 2) mandated alterations to facilities and school property pursuant to requirements of the Federal Americans with Disabilities Act; and 3) to provide air conditioning and climate control in the classrooms, and to provide for the lease and/or purchase of air-conditioning equipment under the tax for leasing (including lease purchase and installment purchase) of educational facilities. (Adopted 1989; Reaffirmed 1991; Amended 1993, 2006)

2.62 STATE AND FEDERAL GRANT CARRYOVER

The Illinois Association of School Boards shall encourage the state and federal governments to remove restrictions on grant programs which currently require local school districts to return grant fund balances back to the state. (Adopted 1991)

LEGISLATIVE ACTIVITY

3.01 BOARD MEMBER INVOLVEMENT

The Illinois Association of School Boards shall continue its legislative involvement and encourage increased legislative activity by local school board members at the district, division and state levels while providing leadership in guiding those board members in their efforts to seek public support of legislation essential to good school government. (Portions Adopted 1974, 1981; Amended 1988; Reaffirmed 2006)

3.02 CANDIDATE SUPPORT

(Adopted 1987; Reaffirmed 2012)

3.04 GENERAL ASSEMBLY RULES

The Illinois Association of School Boards shall support changes in the operating procedures of the Illinois General Assembly which would promote maximum exchange of information

between legislators and interested citizens and ensure enlightened debate on the merits of all proposed bills and take the action necessary to prevent legislation from being changed by amendments which are not germane to the original purpose of the bill, or establish a time limit for such amendments sufficient to avoid last minute changes in the final weeks of a legislative session. The Illinois Association of School Boards shall oppose any legislation that includes a provision for mandatory training of school board members. The IASB encourages local boards of education to model continuous improvement by pursuing all professional development and training opportunities. The IASB, with its unique combination of expertise and resources, is uniquely in the position to be the primary agency responsible for school board member training and professional development as recognized by Article 23 of the Illinois School code, and any such legislation requiring school board member training shall specifically list the IASB as a training provider. (Adopted 2008; Amended 2012)

The Illinois Association of School Boards shall strongly oppose legislation that diminishes the local school board's ability to collectively bargain with employees and shall encourage the General Assembly, the Illinois State Board of Education, and the State Superintendent to refrain from passing legislation that tips the balance of the bargaining process in favor of employee bargaining units. CURRENT IASB BELIEF STATEMENTS

1. **The Illinois Association of School Boards believes** in improving the image of school boards and public education at the state and national levels.
2. **The Illinois Association of School Boards believes** school administrations and faculties should be composed of persons supporting the principles of constitutional government because schools should continue with vigor their programs for giving young citizens a clear understanding of the principles of the American way of life and a desire to make these principles prevail in their own lives and in the life of their country.
3. **The Illinois Association of School Boards believes** that local boards of education should provide the necessary leadership for educational reform by sharing information and resources and collaborating with each other and the larger educational community.
4. **The Illinois Association of School Boards believes** that a comprehensive restructuring is needed in the way public schools are funded in Illinois and that IASB should be an active partner in responsible grassroots initiatives for school funding reform.
5. **The Illinois Association of School Boards believes** that schools should provide a safe and secure environment for all students. School board members and staff should try to protect students from the effects of bullying and offer appropriate instruction to improve intergroup relations and to promote peaceful resolution to conflict.
6. **The Illinois Association of School Boards believes** strongly in the non-partisan election of local school boards.
7. **The Illinois Association of School Boards supports** teacher salaries which are performance-based, market-sensitive, professionally competitive, and which are tied to an effective evaluation system.
8. **The Illinois Association of School Boards believes** in the vigorous support and the rigid enforcement of the laws pertaining to the sale, possession, and/or use of firearms.
9. **The Illinois Association of School Boards believes** that local boards of education should be prepared for possible public health crises (such as an Avian Flu pandemic) and other public safety concerns. IASB should obtain the most recent and accurate information from the pertinent federal, state, and local agencies and disseminate such information to school districts throughout the State. School districts are encouraged to adopt proactive pandemic preparedness strategies. IASB also encourages school participation in the

National Fire Protection Association's campaign for fire escape planning and practice among our member families and citizens.

- 12. The Illinois Association of School Boards believes** that the overall health of our students is of prime importance. Local boards of education and school district officials should have the authority and flexibility to access State and community health services as deemed appropriate. To that end, IASB: urges school districts to comply with the required notification provisions regarding vision screening for students, recommends that parents provide for regular and on-going comprehensive vision examinations for their children, and encourages school districts to consider adopting a policy requiring optometric vision examinations for all children entering kindergarten.
- 13. The Illinois Association of School Boards believes** that the work of locally elected, volunteer school board members should be valued and that employers should be encouraged to allow employees to utilize vacation days or days off with pay to attend mandated school board member training and professional development opportunities offered by IASB or other approved training providers.
- 14. The Illinois Association of School Boards believes** that effective local school board governance is vital to the success of our public schools and urges local boards of education to abide by IASB's Foundational Principles of Effective Governance, avoid real or perceived incidents of impropriety, and adopt policies or procedures to ensure that board members and elected board officers have no conflicts of interest.
- 15. The Illinois Association of School Boards believes** school boards should employ competitive bidding practices for upgrades in technology and energy savings and should also provide energy savings contracting model policy and training opportunities for school districts.
