INTRODUCTION

The object of the Illinois Association of School Boards is “to aid and assist boards of education in performing their lawful functions and to promote, support, and advance the interest of public education in Illinois.” In order to best achieve these objectives, the Association operates within the framework of its Constitution. This booklet contains that Constitution, as well as IASB position statements.

The Constitution. The Constitution provides for the organization’s existence, as well as criteria for membership, and for the creation of internal committees and councils. It determines how officials are elected and what their duties shall be. It establishes procedures for proposing and adopting resolutions, conducting the annual Delegate Assembly, selecting the Board of Directors and its function, and dealing with the Association’s finances.

Position Statements. While the IASB Constitution provides a foundation from which to work, the Association’s position statements represent the nature and substance of that work. Position statements reflect the aspirations and aims of IASB and its member school boards. They generally address issues affecting local boards of education and direct the IASB’s advocacy efforts. As such, position statements change to reflect the times and circumstances in which school boards find themselves. Some statements are broad and philosophical; others focus on specific matters.

Association Governance. Both the Constitution and the position statements are products of the IASB Delegate Assembly. This body consists of one voting representative from each IASB member school board and meets once a year. Its job is to establish the direction of the Association and its major policies.

Article X of the IASB Constitution establishes the procedure by which position statements and belief statements are brought to the floor of the Delegate Assembly. Stated briefly, any member school board or other authorized body of the Association may submit resolutions no later than 150 days prior to the annual meeting. A Resolutions Committee reviews all resolutions, recommends Delegate Assembly action, and no later than 45 days before the annual meeting distributes copies to all member boards.

Member school boards are encouraged to take advantage of this process to bring about changes or additions to the IASB position statements contained in this booklet.

All sums received shall be deposited in a depository approved by the Board. The Treasurer shall make financial reports at the Annual Meeting or when called upon by the President. The duties of the Treasurer, under authority of the Board, may be assigned in whole or in part to an Assistant Treasurer who shall be a member of the Association staff. Section 2. Proposals – Resolutions for proposed position statements or belief statements may be proposed by any Active Member, Association Division, Association Council, the Association’s Board of Directors, or the Resolutions Committee. Resolutions to be published and distributed to the Active Members must be submitted to the Resolutions Committee at least 150 days prior to the Annual Meeting of the Delegate Assembly.

Section 3. Presentation of Resolutions – The Resolutions Committee shall review all proposed resolutions, distribute a final draft of proposed resolutions to the membership not less than 45 days prior to the Annual Meeting of the Delegate Assembly, and may recommend the approval or disapproval of

any resolution to the Delegate Assembly. The Resolutions Committee has the prerogative to determine which proposals are to be presented to the Delegate Assembly; and whether they are presented as position statements or non-debatable belief statements. However, all resolutions that are timely submitted to the Resolutions Committee according to Section 2 above, must be distributed to Active Members not less than 45 days prior to the Annual Meeting of the Delegate Assembly.

Section 4. Annual Review – The Resolutions Committee shall annually review currently in force position statements and belief statements to determine whether they are consistent with the current positions or beliefs of Association members. All position statements and belief statements currently in force will be published annually and distributed to Active Members prior to the Annual Meeting of the Delegate Assembly.

Section 5. Section 3. Arrearage – Any Active, Associate, or Service Associate Member that is unable to comply with the requirements of Section 2, as stated immediately above, may request an extension of membership. Such request shall be submitted in writing to the Board of Directors within 90 days following the first day of the fiscal year, and the member submitting the request shall be advised of the Board's decision within 60 days following receipt of the member's request for extension of membership. Any member who shall be in arrears for more than 90 days and fails to request an extension of membership shall cease to be a member.

Section 4. Budget – An annual budget for the operation of the Association shall be adopted by the Board of Directors prior to the first day of each fiscal year. The Executive Director shall have authority to expend Association funds as approved in the annual budget and to transfer funds from one budget account to another as required to facilitate the orderly operation of the Association.

Section 5. Incurrence of Indebtedness – No individual employee, officer, or committee shall incur any indebtedness in the name of the Association or make any financial commitment binding upon the Association except as authorized by the Executive Director or the Board of Directors.

Section 6. Fees – Fees may be charged for special services rendered to Active Members.

XII. MISCELLANEOUS

Section 1. Incorporation – The Association shall be organized and operated exclusively within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (or any corresponding provision of any future United States Internal Revenue law), and no part of net earnings nor any other funds of the corporation shall inure to the benefit of any director, officer or other private person, except that the corporation shall be authorized and empowered to pay reasonable compensation for services rendered and to make reasonable payments and distributions in furtherance of the purposes in Article 4 hereof.

Section 2. Dissolution – Upon the dissolution of the corporation, the Board of Directors shall, after paying or making provision for the payment of all liabilities of the corporation, dispose of all of the assets of the corporation exclusively for the purposes of corporation in such manner, or to such organization or organizations as shall at the time qualify as exempt under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (or any corresponding provision of any future United

States Internal Revenue law), as the Board of Directors shall determine.

Section 3. Limitation of Activities — No substantial part of the activities of the corporation shall consist of carrying on propaganda, or otherwise attempting to influence legislation, and the corporation shall not participate in, or intervene in (including the publishing or distributing of statements), any political campaign on behalf of or in opposition to any candidate for public office.

Section 4. Indemnification — The Association shall indemnify and hold harmless each person who is now or shall hereafter serve as a Director, officer, or employee of the Association from and against any and all claims and liabilities, whether the same are settled or proceed to judgment, to which such person shall have become subject by reason of his/her having heretofore or hereafter been a Director or officer of the Association, or by reason of any action alleged to have been heretofore or hereafter taken or omitted by him as such Director or officer, and shall reimburse each such person for all legal and other expenses (including the cost of settlement) reasonably incurred by him in connection with any such claim, liability, suit, action, or proceeding provided, however, that no such person shall be indemnified against, or be reimbursed for, any claims, liabilities, costs, or expenses incurred in connection with any claim or liability, or threat or prospect thereof, based upon or arising out of his/her own willful misconduct, in the performance of his/her duties of such Director or officer. The determination of all questions as to the existence of willful misconduct, as to the right to indemnify and reimbursement hereunder, and the reasonableness of such costs and expenses may be made, and shall be final and conclusive if made, by the Board of Directors of the Association acting at a meeting at which a quorum is unaffected by self-interest (notwithstanding that other members of the quorum present but not voting may be so affected). The rights accruing to any person under the provisions of this paragraph shall not exclude any other right to which he/she may be lawfully entitled, nor shall anything herein contained restrict the right of the Association to indemnify or reimburse such person in any case even though not specifically provided for herein.

Section 5. Parliamentary Practice — Questions of parliamentary practice shall be decided according to *Robert's Rules of Order*, most recent edition.

Section 6. Articles of Incorporation — The incorporation of the Illinois Association of School Boards (an unincorporated association) having been authorized by the same procedures and affirmative vote of its voting delegates as its constitution requires for an amendment to that constitution, the members of the Illinois Association of School Boards (an unincorporated association) are members of the corporation and all the rights, privileges, immunities, powers, franchise, authority, and property of the Illinois Association of School Boards (an unincorporated association) pass to and vest in the corporation, and all obligations of the Illinois Association of School Boards (an unincorporated association) are obligations of the corporation.

The constitution of the Illinois Association of School Boards (an unincorporated association), as of the date of its incorporation, shall be the initial bylaws of the corporation, but may thereafter be amended as provided therein. Further, the policies, position statements, and other rules and procedures of the Illinois Association of School Boards (an unincorporated association) shall be those of the corporation and the individuals serving as officers and members of committees of the Illinois Association of School Boards (an unincorporated association) under its constitution shall be the officers and members of the committees of the corporation serving under its bylaws and their terms of office shall end as though incorporation had not taken place.

XIII. AMENDMENTS

Section 2. Proposals — Amendments to the Constitution may be proposed by any Active Member, Association Division, Association Council or the Association's Board of Directors. Proposed amendments shall be submitted to the Board of Directors at least 105 days prior to the Annual Meeting of the Delegate Assembly. All such amendments shall be distributed to Active Members not less than 45 days prior to the Annual Meeting of the Delegate Assembly.

POSITION STATEMENTS

EDUCATIONAL PROGRAMS

1.01 EDUCATIONAL PROGRAMS

The Illinois Association of School Boards urges its member districts to develop educational programs so as to maximize educational opportunities for students by fully utilizing teacher and staff potential, community resources and physical facilities. The goal of each district shall be to serve the interest, talents and needs of each child through an outstanding well-balanced program. The Association shall also encourage its members to increase their awareness of the Mental Health Code (405 ILCS 49/15) which supports developments and implementation of a plan to incorporate social and emotional standards as part of the Illinois Learning Standards. (Adopted 1959; Amended 1988, 2009)

1.02 CURRICULAR MATERIAL DETERMINATION

The Illinois Association of School Boards shall support the right and responsibility of each local school board to determine its curricular content. (Adopted 1981; Amended 1983, 1988, 2001)

1.03 PHYSICAL EDUCATION

The Illinois Association of School Boards shall support modifications to existing state mandates which shall allow boards of education to establish time requirements for physical education at the K-12 level. (Portions Adopted 1982, 1986; Reaffirmed 1984, 1987; Amended 1988, 1995)

1.04 STUDENT RETENTION AND HIGH SCHOOL COMPLETION

The Illinois Association of School Boards shall urge Congress and the Illinois General Assembly to commit the appropriate resources and develop programs that would reduce the dropout rate throughout the state of Illinois with specific emphasis on early intervention in the elementary level and continuous intervention at the secondary school level to facilitate graduation. (Adopted 1986; Amended 2003)

1.05 PRESCHOOL PROGRAMS

The Illinois Association of School Boards shall support legislation to fully fund with new monies for both staffing and infrastructure costs associated with early childhood programs for such children as originally defined in PA 84-126, and further addressed in Public Act 94-0506 and Public Act 94-1054. (Adopted 1986; Amended 2001, 2006, 2007)

1.06 DISCIPLINE FOR SPECIAL EDUCATION STUDENTS

The Illinois Association of School Boards shall develop and implement a legislative agenda at the Federal and State levels which urges the adoption of legislation easing the legal restric-

tions imposed on local school boards for disciplining students enrolled in special education programs, including the suspension and expulsion of such students, and providing for a less restrictive access to records of transferees due to expulsion. (Adopted 1994; Amended 1995)

1.07 STANDARDIZED TEST PROCEDURES

The Illinois Association of School Boards shall urge the Illinois State Board of Education to contract with a national testing company to develop a state assessment test that will test the Illinois Learning Standards on a yearly basis in compliance with, and only testing those areas required by, the federal "No Child Left Behind" Act. Further the IASB shall support legislation to:

- require that the test be given no later than October of each year with results received by local school districts no later than December of that same year;
- provide that assessments include both an annual overall performance measure as well as a system of formative classroom-level assessments that are linked to desired standards;
- require that the test will remain the same for 10 years with only changes in the test items to maintain security;
- require that the cut scores be set before the test results are tabulated, leaving the score ranges the same from year to year and from grade to grade; and
- expedite and fully fund test development and implementation of an appropriate assessment instrument for English language learners. (Adopted 2002; Amended 2003, 2008)

1.08 STUDENT ASSESSMENT

The Illinois Association of School Boards shall support legislation that will modify required State student assessments so testing does not go beyond what is required by federal law, and that prohibits the Illinois State Board of Education from pursuing activities designed to expand student assessment without legislative approval. Further, the Association shall support efforts to modify the Illinois and federal student assessment processes so that they will:

- reduce costs to schools, the state and therefore taxpayers
- enhance student achievement;
- increase student instructional time;
- facilitate test score comparability within and across state lines;
- fairly test students who are English language learners so that their academic progress can be accurately assessed regardless of their fluency;
- return test results in a manner that will allow school districts to maximize student learning;
- comply with the federal accountability mandate tied to testing;
- maintain a needed emphasis on the Illinois Learning Standards; and

- develop a reporting process that reflects a school’s progress beyond simply student assessment scores. (Adopted 2002; Amended 2008)

1.09 NO CHILD LEFT BEHIND

The Illinois Association of School Boards:

- strongly disagrees with the premise that the quality and complexity of teaching and learning can be adequately and solely assessed by one achievement test given once during the school year;
- disagrees with the practice of assessing all schools with inconsistent standards allowed to be used by individual states to determine school accountability and adequate yearly progress;
- believes that the federal government has no authority to sanction local school districts; and
- believes that the current Adequate Yearly Progress (AYP) accountability model for students with disabilities is not consistent with the goals of the new IDEA (Individuals with Disabilities Education Act), as amended.

Therefore, the IASB shall work with the National School Boards Association and other coalitions to urge Congress and the Illinois General Assembly to:

- amend the provision allowing for one high-stakes test to determine student achievement;
- remove the provisions for local school district sanctions;
- focus on professional development for teachers and administrators;
- fully fund any requirements placed on local school districts;
- amend the Act to permit alternate assessments and other appropriate measures of achievement for students with disabilities as specifically addressed by the student’s Individual Education Program (IEP);
- amend the act to permit alternate assessments and other appropriate measures for English language learners, including but not limited to providing directions and question content in their most fluent language, or to allow removal of individual English language learners from the subgroup when no appropriate test at their language level exists;
- allow academic progress to be charted by comparing performance measures made at periodic intervals within cohorts of students rather than by comparing the grade level group test scores from year to year; and
- reject the adoption of an NCLB requirement that high school students be tested annually as the sole measure of academic achievement. (Adopted 2003; Amended 2005, 2008)

1.10 NO CHILD LEFT BEHIND – MILITARY RECRUITMENT

The Illinois Association of School Boards shall work with the National School Boards Association and other coalitions to urge

Congress and the General Assembly of Illinois to, regarding the No Child Left Behind Act, replace the opt-out burden on parents with an opt-in provision with regard to the requirement of secondary schools to disclose student information to military recruiters. (Adopted 2005)

1.11 ADVANCED PLACEMENT FOR STUDENTS

The Illinois Association of School Boards shall offer and support legislation guaranteeing that the graduates of Illinois public high schools who achieve the following scores on Advanced Placement examinations shall be accorded, at minimum, the following benefits by all Illinois public colleges and universities:

For scores of 3, 4 or 5, full credit for completion of the college or university course corresponding to the Advanced Placement exam, including the award of the semester or credit hours (or their equivalent) which would have been earned if the student had successfully completed the coursework and any predecessor coursework at the postsecondary institution.

In all cases, Illinois public colleges and universities shall be free to award credit or benefits for scores below 3 as they see fit. 2. Call on, petition and recommend that the United States Department of Education clarify the assessment rules of NCLB to permit the use of out-of-grade level assessments to evaluate students whose IEP calls for such testing;
3. Compel the Illinois State Board of Education (ISBE) to take all steps available to it (including, but not limited to, granting such exceptions and flexibility as it is maximally allowed under NCLB and altering its plans for NCLB implementation in Illinois) to permit as much IEP-consistent assessment testing as students’ IEPs may dictate in evaluating the progress of

students with IEPs;

4. Take such steps as ISBE and the General Assembly may determine are necessary to cause the implementation of NCLB in Illinois to be harmonized with the requirements of IDEA; and

1.14 FUNDING FOR DIFFERENTIATED INSTRUCTION

The Illinois Association of School Boards shall seek administrative and legislative actions calling for the provision of separate and sufficient new monies to support programs of differentiated instruction for those students identified as having exceptional talents and abilities, permitting these students to reach their potential. - shall urge the members of the General Assembly to strictly comply with the State Mandates Act, including specifying and labeling in the descriptions of legislation containing unfunded mandates that such mandates occur, and to refrain from passing any legislation which contains an exemption from the Act, and urge the Governor to veto any such legislation that may reach the Governor’s desk;
- shall urge State agencies and commissions that adopt regulations accompanying legislative mandates to specify required outcomes and criteria for determining compliance, and allow local districts to determine the specific methods and procedures by which required outcomes will be accomplished. (Adopted 2006)

2.24 CONSTITUTIONAL AMENDMENT ON SCHOOL FUNDING

The Illinois Association of School Boards shall support passage of an amendment to the Illinois Constitution that would make education a fundamental right, would make it a paramount duty for the State to provide a thorough and efficient system of public education, and that would provide that the State has the preponderant financial responsibility for financing the system of public education. 2.30 TAX INCREMENT FINANCING

The Illinois Association of School Boards shall support changes in the current Tax Increment Financing statute that will model adoption procedures after those established for Enterprise Zones, continue to provide definitions for terms such as "blighted" used in the statute, develop procedures for disbanding TIF areas that do not produce anticipated growth, remove the requirement that all taxing bodies participate equally, to be monitored by the TIF Joint Review Board at each of its scheduled meetings, reduce the financial impact of the TIF area so that the

percentage loss of Equalized Assessed Valuation (EAV) involved in the TIF will not exceed twice the average loss of EAV to each taxing body, limit its use in new residential development, and make the recommendation of the Joint Review Board binding. (Adopted 1986; Amended 1990, 1997; Reaffirmed 2006)

The Illinois Association of School Boards shall oppose any limitation which would require school boards to have to go to referendum to gain authorization to extend taxes to limits previously authorized by the voters. The Association shall support legislation designed to:

- exempt the districts in counties under the Property Tax Extension Limitation Law (PTELL) from the restrictions of the tax cap in their Fire and Life Safety, IMRF, Social Security and Tort Immunity funds
- base the property tax cap on the Employment Cost Index (CI) rather than the Consumer Price Index; base any such index (CPI or ECI) on a method for calculating average over time to lessen the unpredictability of tax capped local resources; and
- to establish a "floor" to PTELL to ensure that the allowable percentage increase in the extension cannot be less than the allowable percentage increase in the 1998 levy year. (Adopted 1990; Amended 2001, 2002, 2006, 2009; Reaffirmed 1991)

The Illinois Association of School Boards shall adopt as a position statement the recommendations contained in the Report of the Finance Initiative Committee of the Illinois Association of School Boards which reads:

“The State of Illinois, having the responsibility of defining requirements for elementary and secondary education, establishes that the primary purpose of schooling is the transmission of knowledge and culture through which children learn in areas necessary to their continuing development. Such areas include the language arts, mathematics, the biological, physical and social sciences, the fine arts and physical development and health.

Each school district shall give priority in the allocation of resources, including funds, time allocation, personnel, and facilities to fulfilling the primary purpose of schooling.” (The School Code, 105 ILCS 5/27-1)

The Illinois Association of School Boards believes that adequate funding must be provided for each student in order to guarantee the opportunity for an appropriate public education.

An appropriate education is defined as an education that provides for all students educational opportunities that meet the goals for learning established by the state in the Education Reform Act of 1985 and local community expectations as expressed through local board policy.

The following is criteria by which proposals for school finance reform shall be evaluated:

- 1) The state’s funding of public education should provide for a stable, reliable and predictable commitment of revenue.
- 2) State funding levels for public education should be a function of the actual cost of providing an appropriate education.
- 3) Adequate funding should be sought through the addition of new state revenues for public education.
- 4) Any funding formula developed by the General Assembly shall place high priority upon achieving the goal of equity in providing financial resources to local school districts.
- 5) Increased state funding for public education should not reduce the access of school districts to the local property tax base.
- 6) In the distribution of state funds to local school districts:
 - a) funding differentials for various levels of schooling are appropriate only if based on verified costs;
 - b) consideration should be given to regional differences in the cost of providing an appropriate education;
 - c) the method of calculating the number of students coming from disadvantaged backgrounds should be based on current, verifiable data;
 - d) size of school district is important only to the extent that a district provides an appropriate education.
- 7) A specified local tax effort should be required to qualify for state aid.
- 8) Authority for changing a district’s aggregate tax levy should be retained by the local board of education.

- 9) Taxing authority without referendum for unit districts in all funds should be equal to the sum of the taxing authority in dual districts.
- 10) Funding should not be tied to mandated training of local Boards of Education.

In order to obtain substantial new state revenues for funding an appropriate education, the following considerations should have an impact on any proposal for school finance reform:

- a. A legitimate level and type of accountability will be needed.
- b. The physical plant needs of Illinois’ school districts should be addressed.
- c. Taxpayer equity and relief, including uniform tax assessment and procedures as well as tax relief for limited fixed income and disabled citizens, should be provided. (Adopted 1990; Amended 1996, 2008; Reaffirmed 2001)

The Illinois Association of School Boards shall support legislation that would exempt public schools from all taxes imposed by

state, federal, and units of local government. They shall neither seek to deprive or deplete public schools of their funds. Each public school district shall be issued its own district's State and Federal Tax Exemption Identification Number for such exemption. It shall be the responsibility of the taxing body to notify the agency collecting the tax of its exemption and assure its implementation. (Adopted 1996; Reaffirmed 2001, 2008; Amended 2004)

2.42 PROPERTY TAX RATE INCREASES

The Illinois Association of School Boards shall support legislation that would require that new property tax rates levied immediately following successful passage of tax rate increases be used as the calculating rate and extended as required under the School Code (105 ILCS 5/17-3.2). (Adopted 2002)

2.43 PROPERTY TAX CAP EXPIRATION

The Illinois Association of School Boards shall support a change in State law to create a four-year sunset on the implementation of the Property Tax Extension Limitation Law (PTELL) in each county in which PTELL has been enacted. The four-year sunset would also apply to the enactment of PTELL in any county approving PTELL after the effective date of the legislation. Any desire to extend PTELL beyond the four years would require the County Board to again place the question on the ballot and receive a positive majority of votes in the next general election. (Adopted 2004; Reaffirmed 2006, 2007)

The Illinois Association of School Boards shall advocate that the General Assembly study and consider legislation allowing school districts access to additional forms of financial revenue, both state and local sources, including but not limited to, sales tax revenue. Further, any form of additional revenue for schools must provide that school districts determine the fund(s) in which to place the additional revenue. (Adopted 2006)

The Illinois Association of School Boards shall support legislation to amend the Illinois Property Code (35 ILCS 200/18-165, et seq.) to enable Boards of Education to develop criteria for awarding abatements of school property tax to individual home-builders. Said legislation shall provide rural school boards that are struggling with declining enrollments and loss of assessed valuation with a tool to stimulate the growth of both tax base and population base of their districts. (Adopted 2008)

The Illinois Association of School Boards shall support and encourage each local Board of Education throughout the State of Illinois to make a "good faith" effort to initiate, undertake and make an in-person visit with their local legislators in order to discuss specific issues and proposed legislation affecting local

school districts. Further resolve that conducting any such visits will be part of any Awards Program adopted by the IASB that recognizes outstanding leadership and development activities by local Boards of Education. (Adopted 1995; Reaffirmed 2006)

3.08 ELECTED STATE BOARD OF EDUCATION

The Illinois Association of School Boards shall support legislation or other appropriate action requiring that the members of the Illinois State Board of Education be elected on a regional basis. (Adopted 2002)

BOARD OPERATIONS AND DUTIES

4.01 ATTENTION DEFICIT DISORDER

The Illinois Association of School Boards shall encourage the Illinois State Board of Education (ISBE) to continue to study Attention Deficit Hyperactivity Disorder and methods to accurately identify and meet the educational needs of children with this disorder. Further, the IASB shall seek clarification of state policies and categories of special education to provide for consistency in special education placement and disseminate relevant information from the ISBE to local school districts. (Adopted 1992)

4.02 READING LOCAL RESOLUTIONS

The Illinois Association of School Boards shall endorse an amendment to the state statute to make it absolutely clear that Board resolutions do not have to be read aloud. (Adopted 1992)

4.03 SELF-INSURE RISK

The Illinois Association of School Boards shall propose legislation which would allow school districts, by board resolution, to self-insure the risk previously covered by surety bonds. (Adopted 1993)

4.04 BOARD MEMBER – TRAVEL REIMBURSEMENT

The Illinois Association of School Boards shall support legislation which will allow members of Boards of Education to be reimbursed for mileage for school board meetings held in compliance with the Illinois Open Meetings Act and for events regarding school district staff. Mileage reimbursement would be paid at the federally allowable travel reimbursement rate. (Adopted 2008)

4.05 SCHOOL BOARD MEMBER TRAINING

The Illinois Association of School Boards shall oppose any legislation that includes a provision for mandatory training of school board members. The IASB encourages local boards of education to model continuous improvement by pursuing all professional development and training opportunities. The IASB, with its

unique combination of expertise and resources, is uniquely in the position to be the primary agency responsible for school board member training and professional development as recognized by Article 23 of the Illinois School code. (Adopted 2008)

BOARD – EMPLOYEE RELATIONS

5.01 BOARD RIGHTS

The Illinois Association of School Boards supports local boards of education's rights to determine and control, as duly elected representatives of the community, the employment, dismissal and staff reduction of certificated and non-certificated employees. To this end, the Association shall support statutory, rules and regulations changes that will:

- (a) enable the initial placement of employees on the salary schedule without regard to years of experience or graduate credit;
- (b) allow for greater flexibility in staffing patterns to improve efficiency and effectiveness of programs;
- (c) require periodic re-evaluation of tenured faculty in order to maintain tenure status (i.e., every five years);
- (d) maintain the tenure rights of teachers in cooperatives in a single district but not in multiple districts;
- (e) repeal that portion of Public Act 81-515 which requires that school boards dismiss teachers by order of seniority within the district; and
- (f) allow school districts to take action on reductions in force up to sixty calendar days following the date elementary and secondary appropriations bills become law. (Portions adopted 1976, 1979, 1980, 1983, 1984, 1988; Amended 1988, 1996, 2006; Reaffirmed 1992)

5.02 TEACHER SALARIES (LENGTH OF CONTRACT)

The Illinois Association of School Boards believes that teacher salaries should be determined at the local level; if teacher salary increases are legislatively mandated, they should be linked to an increase in the length of the teacher contract year for purposes to be determined locally. (Adopted 1985)

5.03 COLLECTIVE BARGAINING

The Illinois Association of School Boards shall strongly oppose legislation that diminishes the local school board's ability to collectively bargain with employees and shall encourage the General Assembly, the Illinois State Board of Education, and the State Superintendent to refrain from passing legislation that tips the balance of the bargaining process in favor of employee bargaining units. The Association shall continue to oppose any change in the collective bargaining law which fails to protect the rights of students, employees, taxpayers and boards of education and their administrative staffs. (Adopted 1981; Amended 1985, 2001)

5.04 UNEMPLOYMENT COMPENSATION (SUBSTITUTE TEACHERS)

The Illinois Association of School Boards shall support legislation which would exempt substitute teachers from being eligible for unemployment compensation. (Adopted 1986)

5.05 PREVAILING WAGE ACT

The Illinois Association of School Boards shall work to repeal legislation that regulates wages of laborers, mechanics and other workers employed by school districts and those under contract for work being done in school districts. (Amended 1982, 1990; Reaffirmed 1985, 1988, 1996, 2009)

The Illinois Association of School Boards shall support legislation that allows local school boards to determine locally all contractual arrangements for education support personnel. (Adopted 1990)

5.07 ILLINOIS EDUCATIONAL LABOR RELATIONS ACT

The Illinois Association of School Boards shall support the proposed amendment to the Illinois Educational Labor Relations Act, Section 10, which provides that an employer's duty to bargain over specified matters does not include a duty to bargain over a decision to reduce the number of employees and the impact of a reduction of employees. (Adopted 1993)

5.08 WORKERS' COMPENSATION LAW

The Illinois Association of School Boards shall actively support legislation to reduce the costs of Workers' Compensation. (Adopted 1993)

5.09 IMRF QUALIFICATION

The Illinois Association of School Boards shall support legislation that would amend the Illinois Municipal Retirement Fund (IMRF) laws for non-certified school staff to change, at each local district's option, the number of minimum hours an employee would work to qualify for IMRF from the current 600 hour standard to a 1,000 hour standard. This change would only be for new employees after the effective date of the legislation. (Adopted 1994)

5.10 PROBATIONARY TEACHER DISMISSAL

The Illinois Association of School Boards shall encourage state legislators to refrain from enacting legislation further restricting a Board of Education from declining to rehire probationary teachers with or without cause. (Adopted 1994)

5.11 TENURE REPEAL

The Illinois Association of School Boards shall seek reform of the School Code to eliminate contractual continued service for teachers as currently provided by 105 ILCS 5/24-11. (Adopted 1995)

5.12 SCHOOL EMPLOYEE STRIKES

The Illinois Association of School Boards shall strongly seek and support legislation forbidding public school employees from striking. The Association shall also work with legislators, the Illinois State Board of Education, and the teachers' unions to develop alternatives to striking, including mediation and binding arbitration. (Adopted 1996; Amended 2009)

5.13 STAFF DEVELOPMENT ACTIVITIES

The Illinois Association of School Boards shall urge the Illinois State Board of Education to offer alternative times for staff development workshops other than during regular school hours when classes are in session. (Adopted 2000)

5.14 EARLY RETIREMENT-DISTRICT OPTION

The Illinois Association of School Boards shall support legislation which will allow Boards of Education to determine if a teacher may retire exercising the Early Retirement Option (ERO) with the Teachers Retirement System (TRS). (Adopted 2006)

LOCAL - STATE - FEDERAL RELATIONS

6.01 LOCAL CONTROL

The Illinois Association of School Boards shall take all appropriate action to encourage members of the U.S. Congress, the Illinois General Assembly, related administrative agencies, and state and federal courts to refrain from introducing, supporting or promulgating rules, regulations and legislation which deprive local school districts of decision-making powers on matters in which there is not a clear and compelling state or national interest. (Adopted 1976; Reaffirmed 2006)

6.02 PERIODIC REVIEW OF STATE AND FEDERAL MANDATES

The Illinois Association of School Boards shall support at the state and national level periodic review of all mandates, rules and regulations affecting local districts. Such mandates, rules and regulations should be broad in scope providing great flexibility in implementation, eased or reduced during periods when state supporting funds are unavailable or reduced, and eliminated if not of benefit to educational opportunities and outcomes. (Adopted 1981; Reaffirmed 1985; Amended 1988)

6.03 EDUCATIONAL LABOR RELATIONS BOARD PROCEDURES

The Illinois Association of School Boards shall work with the Illinois Educational Labor Relations Board to increase their sensitivity to the need for timely decisions and establish criteria to identify matters in need of expedited attention. Further, the Association shall utilize the legislative process to remove statutory barriers to timely and expedited decisions and support legislation to enhance the decision making process. (Adopted 1989)

6.04 STATE BOARD COMMUNICATION

The Illinois Association of School Boards shall continue to work with the Illinois State Board of Education to provide opportunities throughout the state each fiscal year to render local boards of education the time to express their concerns as well as to discuss their position on various pertinent educational issues. (Adopted 1982; Amended 1988)

6.05 STATE BOARD OF EDUCATION MEMBERSHIP

The Illinois Association of School Boards shall participate in the development of legislation amending Section 105 ILCS 5/1A with a goal of insuring fair representation on the State Board of Education from all geographic areas of Illinois. (Adopted 1999)

6.06 ZONING HEARING PARTICIPATION

The Illinois Association of School Boards supports requiring planning commissions, zoning boards, and the governing bodies of the jurisdiction in which real estate developments or zoning changes are proposed to notify the school district affected about such proposals and hearings about them and, if any, about the effect of the proposed changes and developments before completing any action to approve or adopt such a change or development. (Adopted 1973; Reaffirmed 2006)

6.07 RAILROAD CROSSINGS

The Illinois Association of School Boards urges the Illinois General Assembly, the Congress of the United States, state and federal commerce commissions, and railroad industries to continue working toward the installation of adequate warning devices at all railroad crossings maintained for public use in Illinois. (Adopted 1976; Reaffirmed 2006)

6.08 ISBE RULES AND REGULATIONS REVIEW

The Illinois Association of School Boards shall encourage the Illinois State Board of Education to include school board members, administrators and other practitioners on committees to review proposed rules and regulations. (Adopted 1990)

6.09 STUDENTS ON PUBLIC AID

The Illinois Association of School Boards shall seek and support legislation to mandate that students of families receiving State/Federal financial assistance (e.g. welfare, AFDC) maintain "regular" attendance as a stipulation for receipt of same. (Adopted 1995)

6.10 SCHOOL HOLIDAYS-LOCAL OPTION

The Illinois Association of School Boards shall support legislation that would allow local school districts the authority to decide whether to observe legal holidays as a day of non-attendance for students. (Adopted 1996)

6.11 HOME SCHOOLING POLICY

The Illinois Association of School Boards shall support legislation to enact appropriate laws and policies to demonstrate that the education received by home-taught students is of sufficient quality to ensure appropriate transfer to schools that have current certification and recognition status from the Illinois State Board of Education. (Adopted 1996; Amended 1998; Reaffirmed 2000)

6.12 DESIGN PROFESSION SELECTION

The Illinois Association of School Boards shall support legislation in the Illinois General Assembly amending or repealing the Local Government Professional Services Selection Act, or any other applicable laws, rules or regulations, to the extent necessary to permit Illinois school boards to solicit, and to permit licensed architects, engineers and land surveyors to submit cost proposals for these professional services as part of a school board's design professional selection process. (Adopted 1997)

6.13 SUPPORT SERVICES TO PRIVATE SCHOOLS

The Illinois Association of School Boards shall support modifications in the Illinois Intergovernmental Agreement Act to allow public school districts to work together in a time and cost efficient manner to provide support services to private schools as required by the U.S. Supreme Court rendered in the case of *Agostini v. Felton*, 65 U.S.L.W. 4526. (U.S. June 23, 1997). (Adopted 1997)

6.14 STATUTORY JOB DESCRIPTIONS

The Illinois Association of School Boards shall oppose legislation which allows job descriptions for employees of school district to be placed into state law. (Adopted 1997)

6.15 ADMINISTRATIVE CAPS

The Illinois Association of School Boards shall not support recent Illinois State legislation concerning Administrative Caps and Superintendent's Contracts as this legislation takes away local control from duly elected Boards of Education. Be it further

resolved that the IASB calls for the repeal of these provisions of PA 90-548 so that these provisions are again placed in the hands of local school boards. (Adopted 1998)

6.16 STUDENT EXPULSION HEARINGS

The Illinois Association of School Boards shall support legislation and/or encourage the National School Board Association to support legislation that gives local school districts more latitude than the law currently mandated by *Honeig v. Doe*. Particularly, school districts should have more latitude than the 10 day suspension limitation to accommodate the needs of the accused to acquire legal counsel, bring forth evidence, or testimony pertinent to the hearing. (Adopted 2002)

6.17 BILINGUAL EDUCATION

The Illinois Association of School Boards shall promote legislative action calling for the Illinois State Board of Education, the U.S. Department of Education and school districts to study the alignment of, and full financial support of, the implementation of second language, native language and bilingual education programs. (Adopted 2004)

6.18 FAIR LABOR STANDARDS ACT

The Illinois Association of School Boards shall support legislation at both the Federal and State levels to exempt school district employees from overtime and salary regulations as described in the Fair Labor Standards Act. (Adopted 2005)

6.19 CONSTITUTIONAL CONVENTION SUPPORT

The Illinois Association of School Boards shall actively participate in promoting a Constitutional Convention for the State of Illinois when the question is submitted to the voters in 2008 (or earlier, if submitted before) and shall begin planning strategy and marshalling resources for the promotion of a vote in favor of conducting the Constitutional Convention. (Adopted 2005; Reaffirmed 2006, 2007)

6.20 BIDDING CONTRACTS-LOCAL BIDDERS

The Illinois Association of School Boards shall support legislation that allows the local Board of Education to award a contract, under certain circumstances, to a qualified bidder that may not be the lowest responsible bidder. The bid must not be more than 2% over the lowest responsible bid and the bidder must be considered a local contractor by the local Board of Education. (Adopted 2006)

DISTRICT ORGANIZATION AND ELECTIONS

7.01 DISTRICT REORGANIZATION

The Illinois Association of School Boards favors school district reorganization and consolidation intended to facilitate educational improvement rather than changes in district organization based only on enrollment or geographical location. Further, IASB shall oppose any future attempts by the Legislature, Governor, and/or State Board of Education to mandate, by statute or rules and regulations, the reorganization and consolidation of school districts. Reorganization and consolidation studies should be initiated by local citizens. In addition, IASB shall oppose legislation containing financial incentives based solely on district size or organizational pattern intended to force school district consolidation or reorganization. (Adopted 1962; Amended 1985; Reaffirmed 2006)

7.02 SCHOOL DISTRICT REORGANIZATION VOTING REQUIREMENTS

The Illinois Association of School Boards shall seek, encourage, and support efforts for school district reorganization – in all forms – to include a requirement that before such reorganization is deemed passed, a majority vote of voters in each of the affected districts is necessary. (Adopted 1987; Amended 1988, 2006)

7.03 ANNEXING DISTRICT REQUIREMENTS

The Illinois Association of School Boards shall seek an amendment to Article 7 of The School Code providing that neither a petition initiated by the citizens of one school district nor a petition initiated by a local school board of education seeking to annex their entire school district or a portion of the school district above and beyond one (1) home to another should be permitted without the affirmative vote of the citizens of each of the school districts affected. Specifically, 105 ILCS 5/7-1 and 7-2 shall be amended to include the following language: “When a petition is initiated by two-thirds (2/3rds) of the registered voters in one school district seeking to annex said district in its entirety to another school district or school districts and the board of education of such receiving school district or school districts has not adopted a resolution agreeing to such annexation, such annexation, if approved by the regional board of school trustees, shall not become effective until it is approved in an election called for the purpose of voting on the question of the voters in each school district affected.” (Adopted 1988; Amended 1996, 2006; Reaffirmed 2000)

7.04 SCHOOL BOARD ELECTION AT-LARGE

The Illinois Association of School Boards support legislation to repeal the provisions of the School Code that require a school district to have a ballot question approved in each congressional township before the district can move to electing its board members at-large. (Adopted 2009)

7.05 DETACHMENT FROM UNIT DISTRICT

The Illinois Association of School Boards shall oppose any efforts to amend the Illinois School Code to allow for less restrictive procedures for school districts to detach and form a new district. (Adopted 2005; Amended 2006)

7.06 PUBLIC QUESTION VOTING DATES

The Illinois Association of School Boards shall support legislation to repeal the statute in the Election Code, amended by Public Act 84-739, which became effective January 1, 1986, which restricts school districts from placing a public question on the ballot other than when voters are scheduled to cast votes for any candidates for nomination for, election to, or retention in public office. (Adopted 1986)

7.07 SCHOOL BALLOT FORMAT

The Illinois Association of School Boards shall urge the State Legislature to review and revise the school ballot formats as established in section 9-12 of the School Code to more clearly identify for whom the voter is casting a ballot. (Adopted 2001)

7.08 ELECTION SCHEDULES

The Illinois Association of School Boards shall continue to support the non-partisan election of school board members at a non-partisan election. (Adopted 2003; Amended 2006)

7.09 POLLING PLACES IN SCHOOLS

The Illinois Association of School Boards shall support legislation that amends the Election Code to allow a school district to refuse to be used as a polling place during elections for student safety reasons. If a school building is used as a polling place, the safety of the children and staff should not be compromised, and voters must be physically separated from students when the school is in session. (Adopted 2007; Amended 2009)
