

## Gain high-level exposure with decision-makers, influencers, and innovators in PK-12 public education

Sponsorships with the Illinois Association of School Boards (IASB) positions your company as a trusted resource to those committed to improving education for the children of their communities. It is a prime opportunity to show support for local school board governance and public education to create a memorable, positive image that IASB members will acknowledge.

IASB membership includes 848 public school districts across the state. Services and support reach 5,900+ board members, as well as district administrators, other school staff, and school attorneys. IASB programming and services target the unique needs of members and may be offered at the district level, or through regional and statewide events.

The following pages highlight sponsorship opportunities available with IASB.
