2024 Share the Success: School District Panel Submissions

RULES FOR PANEL SUBMISSIONS

Rules for Panel Submissions

- IASB permits no more than four presenters. Consider the Open Meetings Act (OMA) in regard to the number of school board members participating in a panel presentation.
- Superintendents, board members, and business officials who are presenting on a panel must register for the Joint Annual Conference.
- Presenting districts must submit any name(s) of attorney(s) who will be presenting with the district. The attorney(s) will be included in the maximum allotment of four presenters per panel.
- Presenting districts agree to not promote commercial vendors or their representatives in their presentations.
- · Presentations should be planned for 60 minutes, including at least 10 minutes for questions and answers.
- A district may submit up to three panels.
- All proposals must use materials and language that align with state and federal anti-harassment and discrimination laws that provide the basis of your local Equal Educational Opportunities and Anti-Harassment policies.
- · Do not submit or attach supplemental materials (such as audio or video recordings) with this proposal. The proposal must stand on its own.
- Presenting districts agree to submit handouts electronically by November 8, 2024, to IASB to be placed on the Joint Annual Conference website
 and/or app prior to the Joint Annual Conference. Districts also agree to supply sufficient printed copies of handout materials for distribution to the
 audience; room capacity information will be provided to assist.
- By agreeing to present at the Joint Annual Conference, IASB assumes that you own the needed intellectual property rights to your presentation's content (including written materials) and/or have obtained all needed permissions to utilize the content (including written materials) and grant permission to reprint the material from your presentation. If you do not own such rights and/or have not obtained the needed permissions, please take all necessary action prior to submitting your presentation to IASB.
- IASB cannot provide lodging or travel expenses for Share the Success or Carousel of Panels participants. Travel and lodging arrangements and expenses of panelists are the responsibility of the submitting school district.
- Presenters may participate in a maximum of two panels throughout the course of the Joint Annual Conference.
- Proposals MUST be submitted to IASB by 5 p.m., March 1, 2024
