RULES FOR PANEL SUBMISSIONS

Rules for Panel Submissions

- IASB permits no more than four presenters and one moderator. Consider the Open Meetings Act (OMA) in regard to the number of school board members participating in a panel presentation.
- Superintendents, board members, and business officials who are presenting on a panel must register for the Joint Annual Conference.
- Presenting districts must submit any name(s) of attorney(s) who will be presenting with the district. The attorney(s) will be included in the maximum allotment of four presenters per panel.
- Presenting districts agree to not promote commercial vendors or their representatives in their presentations.
- Presentations should be planned for 60 minutes, including at least 10 minutes for questions and answers.
- ***A district may submit up to three panels.***
- All proposals must use materials and language that align with state and federal anti-harassment and discrimination laws that provide the basis of your local Equal Educational Opportunities and Anti-Harassment policies.
- Do not submit or attach supplemental materials (such as audio or video recordings) with this proposal. The proposal must stand on its own.
- Presenting districts agree to submit handouts electronically by November 7, 2025, to IASB to be placed on the Joint Annual Conference website and/or app prior to the Joint Annual Conference. Districts also agree to supply sufficient printed copies of handout materials for distribution to the audience; room capacity information will be provided to assist.
- By agreeing to present at the Joint Annual Conference, IASB assumes that you own the needed intellectual property rights to your presentation's content (including written materials) and/or have obtained all needed permissions to utilize the content (including written materials) and grant permission to reprint the material from your presentation. If you do not own such rights and/or have not obtained the needed permissions, please take all necessary action prior to submitting your presentation to IASB.
- IASB cannot provide lodging or travel expenses for Share the Success participants. Travel and lodging arrangements and expenses of panelists are the responsibility of the submitting school district.
- Presenters may participate in a maximum of two panels throughout the course of the Joint Annual Conference.
- Proposals MUST be submitted to IASB by 5 p.m., March 1, 2025
