School Board Members Day: Learn Together. Lead Together.

- November 15 – School Board Members Day – is our opportunity to thank members of **[District Name]** school board for providing a local voice for our community's education decisions.
- School board members are volunteers serving as advocates striving for quality education opportunities for every student. The members of our board take on this responsibility not for a paycheck, but for their commitment to our community and its children.
- Our board members act as front-line advocates providing a local voice for the community, a vision for the district, and a pathway to success for our students.
- Our board of education acts to safeguard two of our community's most precious resources – our children and tax dollars – while striving to create the best education environment possible with the resources available. Thank you, **[District Number]** School Board Members.
- Thank you **[District Name]** School Board Members! We Learn Together. We Lead Together. And Together we are making a difference for every student of this district.
- Today we honor school board members who have donated their time for this community and given their commitment toward making **[District Name]** schools a welcoming, safe place for our students to achieve their dreams.
- Our school board members wear many hats; they are education leaders, policy makers, contract negotiators, and budgeteers. But they are also our neighbors, our friends, and **[District Name and Mascot]** biggest fans. Thank You, **[District Name]** Board of Education!
- Our community takes enormous pride in **[District Name and Number]**. I want take the opportunity today, School Board Members Day, to say Thank You to our school board members for their leadership and commitment to creating the best schools possible for our students.
- Today, November 15, is about saying Thank You to the **[District Name]** school board. Our board members spend multiple hours each month on district work, attending meetings, and other responsibilities most will never hear or read about. This is time they could spend with their families and for themselves. I want to personally thank all seven members of the **[District Name and Number]** Board of Education for their service to the district and our students.

These materials are intended to support and encourage local outreach efforts to honor school board member service and the important role of board members in local governance work.
